DAY ONE – 21 FEB 2017

0830	ARRIVAL + REGISTRATION								
0900	WELCOME TO COUNTRY								
0910	OPENING REMARKS	Dr Nedaossadat Mirzadeh, MC							
0915	WELCOME ADDRESS	VC Martin Bean CBE: Institutional importance of R&I and the ECPs in helping RMIT shape the world							
0925		DVC R&I Professor Calum Drummond: Internally facing opportunities for the ECPs and the specific goals of the conference							
0935	FIRESIDE	VC Martin Bean CBE + DVC R&I Professor Calum Drummond with audience Q&A *Chair: Professor Denise Cuthbert*							
0950	PLENARY KEYNOTE ONE	Dr Amanda Caples: How university research informs government policy *Chair: Professor Calum Drummond*							
1030	PLENARY KEYNOTE TWO	Stephen Tomisich: Universities and industry on the road together - towards research for impact *Chair: Professor Peter Coloe*							
1100	MORNING TEA								
		Advanced Manufacturing + Fabrication	Advanced Materials	Biomedical + Health Innovation	Information + Systems (Engineering)	Design + Creative Practice	Social Change	Urban Futures	Global Business Innovation
		Room 105 *Chair: Dr Daniel Lester*	***Room 106*** *Chair: Dr James Tardio*	***Room 109*** *Chair: Assoc Prof Sarah Spencer*	***Room 110*** *Chair: Assoc Prof Xiuzhen (Jenny) Zhang*	***Room 212*** *Chair: Dr Shanti Sumartojo*	***Room 213*** *Chair: Dr Jenny Kennedy*	***Room 219*** *Chair: Liz Ryan*	***Room 220*** *Chair: Dr. Shelley Marshall*
ECP DIRECTOR KEYNOTE	1130	**Prof Ivan Cole** Driving the transformation in Advanced manufacturing & fabrication	**Prof Rachel Caruso** Advanced materials	**Prof Paul Gorry** A vision for health & biomedical research at RMIT	**Prof Mark Sanderson** Developing RMIT's information & systems priority research areas	**Dist Prof Larissa Hjorth** Playful interventions	**Prof Julian Thomas** It's called social research for a reason	**Prof Bille Giles-Corti** Is urban research up to meeting the challenges of the urban age?	**Prof Anne-Laure Mention** Global business innovation: the way forward
EXTERNAL KEYNOTE	1200	**Michael Edwards, GM, Boeing Research & Technology Australia** Manufacturing innovation in aerospace	**Dr Keith McLean, Manufacturing Flagshp Director, CSIRO** Taking advanced materials to the marketplace: the CSIRO experience	**Prof Tony Cunningham, The Westmead Institute for Medical Research** Vaccine development & deployment: 30 years from bench to bedside	**Prof Zbigniew Michalewicz, Chief Scientist, CEO, Complexica** Combining research with industry applications	**Emma Crimmings, Deputy Director, Artbank** Art as industry	**Robert Morsillo, Senior Advisor Digital Inclusion, Chief Sustainability Office, Telstra** Measuring digital inclusion	**Michel Masson, CEO, Infrastructure Victoria** What will it take to maintain Melbourne's liveability in 2050?	**Dr Elaine Saunders, MD, Blamey Saunders hears** Research & Innovation: An Australian Story
RESEARCH PRESENTATIONS	1230	**Additive production of metal components**	**Proteins, peptides & drug delivery**	**Next generation microfluidic platform for inhaled macromolecular therapeutics**	**Bioinformation**	**Seeding change**	**Cultural, social & political technologies**	**Urban futures dialogue** *with Michel Masson*	**Innovation & entrepreneurship**
	1315	LUNCH							
	1415	**Bio-aspects of additive manufacturing & printing**	**Computational studies**	**Imaging & lab-on-a-chip**	**Dealing with data**	**Spatial, sonic & social sustainabilities**	**Resources for research, analysis & change**	**Sustainable mobility**	**Technology-driven innovation**
	1515	AFTERNOON TEA							
	1545	**Design aspects of advanced manufacturing**	**Materials characterisation & photoactive materials**	**Diagnostic devices**	**Sensing**	**Design & wellbeing**	**Politics, culture & money**	**Technology**	**Diversity & leadership**
	1630	NETWORKING DRINKS + CANAPES/ HDR POSTER SESSION *In the foyer*							

DAY TWO – 22 FEB 2017

0830	ARRIVAL								
0900	WELCOME								
0905	PLENARY KEYNOTE THREE	Professor Andrew B. Holmes AC, President, Australian Academy of Science: Perspectives on the commercialisation of university research *Chair: Professor Ian Palmer*							
0945	PLENARY KEYNOTE FOUR	Dr Leyla Acaroglu, sustainability provocateur and cultural protagonist, 2016 UNEP Champion of the Earth *Chair: Professor Paul Gough*							
1025	ANNOUNCEMENT	DVC R&I Professor Calum Drummond							
1030	MORNING TEA								
		Advanced Manufacturing + Fabrication	Advanced Materials	Biomedical + Health Innovation	Information + Systems (Engineering)	Design + Creative Practice	Social Change	Urban Futures	Global Business Innovation
		Room 105 *Chair: Dr Enrico Della Gaspera*	***Room 106*** *Chair: Dr Andrew Christofferson*	***Room 109*** *Chair: Dr Amy Reichelt / Dr Michelle Rank*	***Room 110*** *Chair: Dr Xiangmin (Emily) Zhou*	***Room 212*** *Chair: Assoc Prof Anne Harris*	***Room 213*** *Chair: Dr Ramon Lobato*	***Room 219*** *Chair: Assoc Prof Wendy Steele / Dr Jonathan Arundel*	***Room 220*** *Chair: Prof Jason Potts*
RESEARCH PRESENTATIONS	1100	**Manufacturing nano systems**	**Food packaging, textiles & buildings**	**Diseases & therapies**	**Spatial 1**	**Dr Leyla Acaroglu - Workshop Disruptive Design**	**Families, care, labour**	**Benchmarking, monitoring & creating healthy liveable cities**	**Finance & economics**
	1230	LUNCH							
	1330	**Microfabrication**	**Sensors & sensing**	**Drug discovery & advanced techniques**	**Spatial 2**	**Mobile, haptic & urban play**	**Educational practices, research partnerships**	**Partnerships**	**Bruno Woeran: Workshop EU Funding for Global Business Innovation Research - Insights on Exploration & Exploitation**
	1500	AFTERNOON TEA							
	1530	**Multifunctional systems**	**Controlled materials fabrication & application**	**Clinical studies & surveys**	**Networks & systems**	**Data & new materialities**	**New formations in politics**	**Kids in the city**	**New forms of organisation**
	1630	HDR POSTER AWARDS CEREMONY / *Drinks & canapes in the foyer*							

DAY THREE – 23 FEB 2017

0830	ARRIVAL								
		Advanced Manufacturing + Fabrication	Advanced Materials	Biomedical + Health Innovation	Information + Systems (Engineering)	Design + Creative Practice	Social Change	Urban Futures	Global Business Innovation
		Room 105 *Chair: Professor Ivan Cole*	***Room 106*** *Chair: Professor Rachel Caruso*	***Room 109*** *Chair: Professor Paul Gorry*	***Room 110*** *Chair: Professor Mark Sanderson*	***Room 212*** *Chair: Distinguished Professor Larissa Hjorth*	***Room 213*** *Chair: Professor Julian Thomas*	***Room 219*** *Chair: Professor Billie Giles-Corti*	***Room 220*** *Chair: Professor Anne-Laure Mention*
0900	Capability Development Plan	Capability Development Plan	Capability Development Plan	Capability Development Plan	Capability Development Plan	Capability Development Plan	Capability Development Plan	Capability Development Plan	Capability Development Plan
1030	MORNING TEA								
1100	Capability Development Plan	Capability Development Plan	Capability Development Plan	Capability Development Plan	Capability Development Plan	Capability Development Plan	Capability Development Plan	Capability Development Plan	Capability Development Plan
1200	LUNCH								
		Room 105		***Room 109***		***Room 212***		***Room 219***	
1300	**Abstracts for impact** *Dr Robyn Barnacle, Senior Research Fellow, School of Graduate Research*			**Increasing international research impact via the Global Development Portfolio** *Julian Beckedahl, Advisor, Global Performance & Briefings, with Julie Atkinson, Associate Director, Global Performance & Strategy; Jessie Mitchell, Manager, Global Relations, Global Development Portfolio and Louise Ballard, Senior Project Officer, School of Graduate Research*		**Leading KNOWledge SUCCESSion for research projects** *Dr Arthur Shelley*		**Digital Disruption and its implications on research impact** *Prof Mark Sanderson, ECP Director, RMIT; David Preiss, CTO, RMIT; Rita Arrigo, Microsoft Australia; Jin Yu, Microsoft Australia; Steve Versteeg, Computer Associates; Ronald Ng, Dell; Michael Wang, nVidia*	
1400	**Responsible conduct of research at RMIT** *Dr Simons Peel, Executive Director, Office For Research*			**Introduction to new EU funding opportunities** *Bruno Woeran*					
1500	AFTERNOON TEA								
1530				**Creating value through research engagement, innovation, entrepreneurship and translation** *Distinguished Professor Min Gu, Professor Swee Mak, Dr Liz Jazwinska & Damien Thomas*					
1700	EVENT CONCLUDES
